## Returns & Refunds

Thanks for purchasing our products at Obelisk Jewellery operated by Obelisk Ltd. In order to be eligible for a refund, you have to return the product within 30 calendar days of your purchase. The product must be in the same condition that you receive it and undamaged in any way.

After we receive your item, we will inspect it and process your refund. The money will be refunded to the original payment method you've used during the purchase. For credit card payments it may take 5 to 10 business days for a refund to show up on your credit card statement.

If the product is damaged in any way, or you have initiated the return after 30 calendar days have passed, you will not be eligible for a refund.

If anything is unclear or you have more questions feel free to contact our customer support team.

## Manufacture

Our goods are hand crafted to the highest standard. We strive to create quality items for every budget. We use a large range of raw materials, particularly gems. This makes our jewellery pieces stand out from the crowd, they are so different from pieces bought from well-known, larger companies.

We hope you enjoy your purchases from us!

Returns & Refunds

Thanks for purchasing our products at Obelisk Jewellery operated by Obelisk Ltd.

In order to be eligible for a refund, you have to return the product within 30 calendar days of your purchase. The product must be in the same condition that you receive it and undamaged in any way.

After we receive your item, we will inspect it and process your refund. The money will be refunded to the original payment method you've used during the purchase. For credit card payments it may take 5 to 10 business days for a refund to show up on your credit card statement.

If the product is damaged in any way, or you have initiated the return after 30 calendar days have passed, you will not be eligible for a refund.

If anything is unclear or you have more questions feel free to contact our customer support team.

Manufacture

Our goods are hand crafted to the highest standard. We strive to create quality items for every budget. We use a large range of raw materials, particularly gems. This makes our jewellery pieces stand out from the crowd, they are so different from pieces bought from well-known, larger companies.

We hope you enjoy your purchases from us!

Categories and sub-categories are filtered from the product name

This screen is only accessible by admin users. It allows new products to be added.

Similarly for Edit Item

Categories and subcategories must stay fixed once the website/app is set up. This is because the categories affect which products appear when an option is clicked on the home page.
